and Support

February 17, 2010

Confidential and Privileged

Today's Agenda

- ❑ **Reasons for five-day delivery**
- ❑ **Summary of five-day proposed operations plan**
- ❑ **Five-day start-the-clock changes**
- ❑ **Stakeholder input and mailer issues**

Reasons for moving to five-day delivery

Five-Day Briefing to MTAC

Confidential and Privileged

Reasons for moving to Five-Day Delivery

- ❑ **Decreasing mail volumes**
- ❑ **Increasing delivery points**
- ❑ **Mail mix now yielding larger volumes with lower contribution margins**
- ❑ **Existing cost cutting programs not enough**
 - In FY2009, the Postal Service successfully removed more than \$6 billion in costs
 - FY2009 operating loss = \$3.8B
 - Operating losses forecasted

Summary of proposed five-day operations plan

Five-Day Briefing to MTAC

Confidential and Privileged

Five-day proposed operations plan summary

- ❑ **No Saturday street address delivery except:**
 - Deliver Express Mail to street addresses
- ❑ **No scheduled weekend box collections except:**
 - Collect Express Mail from Post Offices and Express Mail collection boxes
- ❑ **Continue Saturday Post Office services:**
 - Post Offices with current Saturday hours remain open
 - Deliver all mail to PO boxes

Five-day proposed operations plan summary

- ❑ **Continue availability of remittance mail that is P.O. Box addressed 7 days a week**
- ❑ **Continue Saturday acceptance of bulk mail**
 - Post Offices, bulk mail entry units, and detached mail units currently open Saturday and Sunday will remain open and accept mail
 - Destinating/incoming drop shipments
 - Facilities now open will remain open and accept mail
 - Destination delivery unit hours reduced to window hours
 - Carrier annexes staffed as necessary

Five-day proposed operations plan summary

- ❑ **Process originating/outgoing mail Monday- Friday**
 - Mail accepted at a Post Office on Saturday will be processed on Monday
- ❑ **Continue to process all mail in the NDCs.**
- ❑ **Continue to transport originating/outgoing mail during weekends between Network Distribution Centers and plants**
- ❑ **Continue to process destinating/incoming mail at plants Monday – Sunday to support delivery:**
 - Street addresses Monday - Friday
 - PO Boxes Monday - Saturday
 - Remittance mail Monday - Sunday
- ❑ **Reduce transportation of mail between plants and Post Offices on Saturday**

Five-day start-the-clock changes

Five-Day Briefing to MTAC

Stakeholder input and mailer issues summary

Five-Day Briefing to MTAC

Confidential and Privileged

Stakeholder input and mailer issues

- ❑ **Briefed Five-Day concept to stakeholders**
 - Union/management associations
 - Major mailers/associations
- ❑ **Conducted market research**
- ❑ **Identified common “Mailer Issues”**
- ❑ **Refined operations plan**

Common mailer issues

1. Election mail
2. Perishables
3. Medicines/hazmat lab specimens
4. Remittance mail
5. Firm holdout
6. Newspapers
7. Magazines
8. Priority Mail delivery Saturday
9. BMEU closed Saturday, DMUs open Saturday
10. Drop-ship accepted Saturday
11. Saturation mail
12. Meeting Standard Mail in-home delivery dates
13. Live animals
14. Saturday delivery 2-3 weeks before Christmas
15. Effect of weekend and three-day holiday on Monday/Tuesday delivery and collections
16. Standard Mail committed delivery Monday
17. Express Mail Saturday acceptance
18. Saturday delivery of government checks
19. Transportation between BMCs, SCFs and DDUs
20. Collection of single piece First-Class Mail Saturday
21. Customers with time sensitive mail need Saturday to remain "day zero" for destination entered mail

Operational plan addresses mailer issues

- ❑ **No Saturday delivery to street addresses or collections**
 - Provide appropriate lead time for customer (mailer and recipient) adjustments
 - Post and communicate new collection schedules

- ❑ **Continue Saturday Post Office services**
 - Post Offices currently open will remain open and accept mail
 - Deliver mail to P.O. Boxes

Operational plan addresses mailer issues

- ❑ **Continue availability of PO Box addressed remittance mail 7 days a week**
- ❑ **Firm holdouts**
 - Local — available Monday-Friday
 - P.O. Box option available if needed Saturday
 - National — available Monday-Saturday for P.O. Box-addressed mail

Operational plan addresses mailer issues

- ❑ **Plan for timely delivery of mail on Monday or after 3-day holiday weekend**
 - Postal Service already does timely delivery of mail after holiday weekend at least 5 times a year
- ❑ **Continue weekend destinating/incoming mail processing and transportation to support Monday delivery to street addresses**

Operational plan addresses mailer issues

- ❑ **Continue Drop Ship Entry on Saturday and Sunday**
 - Continue start-the-clock on weekends

- ❑ **Continue bulk mail acceptance on Saturday and Sunday**
 - Provide option for Saturday start-the-clock

Operational plan addresses mailer issues

- ❑ **Continue Express Mail delivery and collection from dedicated boxes/retail units**
- ❑ **Deliver parcels Saturday 2-3 weeks before Christmas, if needed**
- ❑ **Live animals, medicines and perishables**
 - Change DMM to require arrival at DDU Monday-Friday for live animals and perishables and encourage for medicines
 - Option to use Express Mail for delivery Saturday

Operational plan addresses mailer issues

- ❑ **Treat Election mail with FIM like remittance mail if P.O. Box-addressed**
- ❑ **No delivery of government checks Saturday**
 - Provide appropriate lead time for mailer and recipient adjustments

Mailer adjustments

❑ No delivery to street addresses on Saturday

- Newspapers
- Magazines
- Local firm hold out
- Priority Mail & Parcels
- Standard Mail
- Government checks

❑ No scheduled collections or outgoing processing on Saturday

- Remittance mail
- Correspondence
- Priority Mail
- Election Mail
- Post Office acceptance

❑ Delivery on Monday or after three day holiday

- Standard Mail
- Periodicals Mail
